

Totteridge & Whetstone is the penultimate station on the Barnet branch of the Northern Line (Underground).

When you exit the station, turn left on to Totteridge Lane, and immediately left again in to the station car park. Walk down the full length of the car park until you see a pay-and-display meter on the right - adjacent to this is a gate, walk through it and follow the path to the rear entrance of Michael Gerson Ltd.

Carry on walking until you reach the double warehouse. Turn right and walk up the slope, where you will see A1 Self Storage in front of you.
